PARENT PORTAL – INFORMATION FOR PARENTS

Parent Portal is here!

The Compass Parent Portal is an online portal that lets you access information about your child's school and their progress.
The portal is accessible via the web and the Compass School Manager App (via the App store on your device).

Parent Portal will make engaging with your child's school faster, easier and more secure.

WHAT YOU CAN DO

- Receive relevant messaging through the app or desktop
- Submit absence notes
- Give consent for events/excursions
- Communicate directly with teachers (desktop only)
- Book parent-teacher conferences
- Access your child's academic reporting
- View attendance records
- Update basic contact information knowing your data will remain secure
- Get quick access to school website

FOR SUPPORT

If you have any questions about your Compass Parent Portal, please contact your school for assistance.
